Length Options:	2.4m, 3.0m, 3.6m, 4.2m, 4.8m	2.4m, 3.0m, 3.6m, 4.2m, 4.8m	Customised to your requirements

- All timber is treated and all fasteners are Galvanised
- All barns are built on Solid H4 Treated floor framing

The above are standard barn options only; you can mix and match features to achieve whatever requirements you have.

Each Baby Barn is custom built; please don't hesitate to contact us to discuss your specific needs.

**Our demonstration Baby Barn** is on display at 337 Lincoln Road, Henderson, at Auckland Landscape Supplies.

(Directions: from the north-western motorway take the Lincoln Rd turnoff. On the left side of Lincoln Rd, 50mtrs before the intersection with Central Park Drive. **Or** from Henderson head along Lincoln Rd towards the motorway; on the right just past the Central Park Drive lights; look for the Auckland Landscape Supplies sign).
